

The Eighth Monetary Conference at Texas A&M University

*College Station, April 21 and 22, 2000
Room 1006, Academic West Building*

This year, the Conference is hosted by the Economics Department at the campus of Texas A&M University in College Station. As in other years, it is sponsored also by the University of Texas, the Dallas Fed, Rice and Southern Methodist Universities and the University of Houston. Click [here](#) for driving directions from Austin, Dallas or Houston, and [here](#) for local maps and directions (conference site, hotel, restaurant).

The following is the preliminary program. In most cases, the title of the paper is also a link to a site from where the paper can be downloaded. To download a printable PDF file of the program, click [here](#).
